# Short Term Missions

## “A Spain Experience”

### WHAT: A Typical Week

#### Four mornings of Language Training

One of the most important components needed to integrate in Spain is language. Without it, you will be limited in relationships and ministry. You will be given the opportunity to learn in the morning, and put your language skills into practice in the evenings.

- Basic, Intermediate, or Advance Spanish courses at a local Spanish University.
- Standardized placement exam upon arrival.

#### Four evenings of Ministry

Pray about the ministries that the Lord would have you involved in. We will help you custom craft an “average ministry week” in which you can serve three or four evenings a week. Some examples include:

- MK Ministries - Mentoring, Tutoring, After school clubs at MK school
- English Ministries - Workshops, One-on-one Coaching, English Camp
- Church Ministries - Food and Clothing distribution, Youth Ministry, Kids Clubs, Bible Studies, etc.

#### What about the other three days a week?

One day for Worship, one day of rest, and one day to soak in the land and the culture! We will also match you with a Missionary Big Sib to meet and pray with and to help you get the most out of your Spain experience.

Spain

# Why Come to Spain

## Make the most of your studies...

We all know that the best way to learn a foreign language is to immerse yourself in it. What better way than to study in the country of the language's origin. Walk the streets the great writers walked, see the art the great artists created, see the roman ruins and the place Columbus started his journeys. And leave here with a little bit of Spain in your heart!

## Make your studies practical...

Whatever your studies, be it Language Arts, Bible/Ministry, Education, etc. Spain SEND ministries will allow you to put your studies into practice. We work together as a team to meet the needs of young people in Spain with church, English and MK ministries. Your studies and your spiritual gifts can be put to practical use here!

## Be where the Lord is moving...

The Lord has caused a wave of spiritual hunger amongst Spanish young people in the past few years. We are witnessing His hand at work in the hearts of young people. We want YOU to be part of it. If anyone will reach Spain for Christ, it will be Spain's own youth. You can be a part of encouraging them as they minister to each other, witness to their peers, and share the Gospel with those around them.
